

## GRAND ROUNDS

### Help us celebrate 25 years of local cancer care

This fall the Oncology Unit at Renfrew Victoria Hospital will celebrate 25 years of providing cancer care close to home!

“Being able to provide the care we do in our home town gives our patients and families control of their somewhat chaotic days of travel and appointments. All our patients at RVH and their families mean a lot to us. That is why we do what we do! Thank you for letting us be part of your life, and helping us celebrate our 25 years of providing local care to our Oncology community in Renfrew and beyond,” says Erin Prentice, RN, on behalf of the RVH oncology family.

To mark this milestone, we are creating a coffee table book of stories from those who have been impacted over the years.

“If you, any family member, or a friend have a story you would like to share about your journey, we would love to hear from you,” says Prentice.

Staff and physicians are also invited to participate.

In sharing your story, you can help to build and benefit from a sense of connection, acknowledge someone who made a difference, and provide comfort, courage and hope for others whose lives will be touched by cancer.

Please contact the RVH Foundation at 613-432-4851 ext. 263 or email [dillaboughp@renfrewhosp.com](mailto:dillaboughp@renfrewhosp.com) to set up an interview and photo before August 20th.

The books will be available for the anniversary celebration which will take place in October.

**Erin Prentice and Elizabeth Stewart are part of a team of healthcare professionals who provide comprehensive cancer care and coordinated treatment in our community. They will be on hand in October to help celebrate the 25-year anniversary of the Renfrew Victoria Hospital Satellite Cancer Unit.**

To make a donation to the RVH Foundation or to share your story, please call Patti at 613-432-4851 x263
