

## GRAND ROUNDS

### Ladies' evening doubles as fundraiser

Community-minded people like Laury and Paul Lamoureux, owners of the Canadian Tire store in Renfrew, help to make a difference by getting the community involved.

Fun and fundraising were combined at the first ever Ladies Night held at the store on Sunday June 10.

Balloons, entertainment, free swag bags and candy bar, draws, deals, and 10% off everything in the store, guest vendors, and more added to the experience. The event was a huge success, as evidenced by the number of ladies lined up outside well before the doors opened at 6 pm.

The Lamoureuxs are no strangers to organizing this kind of event having hosted Ladies Night at their former location in Calgary.

“We held one in our previous store and it was a huge success,” said Laury Lamoureux.

The Lamoureuxs chose Renfrew Victoria Hospital Foundation as the recipient of proceeds from the sale of hot dogs, drinks and ice cream from the evening.

“I think RVH is a great cause. It’s extremely important to have hospital funding to support the critical services it provides to our community,” shared Laury.

Sarah Robinson, RVH Foundation Executive Director, was also on hand for the evening and expressed her thanks to the Lamoureuxs.

“We are grateful for partners like Paul and Laury for taking a leadership role in the community and choosing RVH as their charity of choice for Ladies Night.”
